Code of Conduct for Players

Players are the most important people in the sport. Playing for the team and trying their best for themselves and the team is the most fundamental part of the game. But winning at any cost is not - Fair Play and respect for all others in the game is very important.

Players must

· Always do their best, even if we're losing or the other team is stronger

· Play fairly - don't cheat, complain or waste time

· Respect their team-mates, the other team, the referee, spectators or their coach/team manager

· Do what the referee tells them

· Shake hands with the other team and referee at the end of the game

· Listen to their coach/team manager and respect what he/she says

· Talk to someone they trust, for example their parents or the club welfare officer if they are unhappy about anything at the club
